HAMIDIA GIRLS' DEGREE COLLEGE
 (Constituent Post Graduate College of Allahabad University)
Annual Report 2016-17
 (1st April 2016 to 31st March 2017)

1. Introduction: (Brief History + Highlights; each in 3-4 lines)

History

Hamidia Girls' Degree College is a Constituent Muslim Minority College of Allahabad University functioning under the aegis of **The Association for the Education of Muslim Women at Allahabad**. It caters to the needs of modern higher education of girls and women in the densely populated Muslim dominated area. Although it is established to extend higher education to muslim girls but it has kept its doors open maintaining its accessibility to all sections of the society. The college is a unique centre of quality modern higher education and vocational skills. Presently approximately 1700 girl students are enrolled in the college in its three faculties- Faculty of Arts, Commerce and Vocations.

Milestones Covered

- Its foundation was laid in 1932 as Hamidia Primary School.
- In 1951 Hamidia School became Intermediate College.
- In 1975, the International Year of Women it turned into a Degree College with only one Faculty –Faculty of Arts.
- In 2002 Faculty of Commerce was added.
- In 2014 Faculty of Vocations was introduced.
- In 2016 Post Graduate Courses started in 4 subjects Urdu, English, Medieval History and Sociology.

Highlights

The college has many special features:

- First, its founder Begum Khursheed Khwaja, a close associate of the Father of the Nation, Mahatma Gandhi envisioned the development of Muslim girls only through education.
- Second, worth mentioning point here is that students come from the immediate undeserved locales as well as far-off remote areas of the city like Mau-Aima, Karchana, Naini, Mahgaon, Lohra, Shaikhpur, Peepalgaon, Katauhla, where there are no avenues of higher education for girls.
- Third, special feature of the college is that it has made consistent efforts to add more and more vocational subjects for skill development to the academic programs of the college from University Grants Commission under its different plans indicated in below given table:

Plans	Courses
IX Five Year Plan (Vocational Subjects)	1) Office Management and Secretarial Practices 2) Computer Application in Social Sciences
X Five Year Plan (Add on Certificate course)	1) Fashion Designing and Kashidkari 2) Urdu Journalism and Mass Communication 3) Proficiency in Arabic Translation
XI Five Year Plan	1) Centre for Women's Studies
XII Five Year Plan (B.Voc. Degree Programme)	1) Journalism and Mass Communication 2) Fashion Designing and Embroidery

2. Thrust Areas:

- Equity and wide access.
- Employment of girls through education and skills.
- Adding more and more vocational, job oriented courses to churn out employable graduates.
- Development of skills.
- Maintaining quality benchmarks in conventional subjects as well as vocational subjects.
- Facilitating employability of young girls so that they may become self reliant.
- Lowest fee structure as the College caters to the underprivileged sections of society.
- Maintaining a blend of traditions + modernity.
- Lastly the college never compromises with quality. Despite the fact that the students come from ordinary and other backward classes and lack academic exposure of higher order, the committed faculty of the college trains them into tough soldiers of learning and specialized skills.
